STEWARDSHIP

In our daily lives, we manage our family and work responsibilities. But to become occupied with these important matters to the exclusion of the need of others outside our home and work, is a mistake we could carry into eternity.

There are new CD's and books in the display in the back of the church. One of the CD's is titled: "The Passion of Christ in Light of the Holy Shroud of Turin" The Holy Shroud of Turin was called the greatest relic in Christendom by Pope John Paul II. In fact, the Shroud is the most studied scientific object in the entire world. Fr. Peffley presents new and detailed scientific and medical evidence for the authenticity of the Holy Shroud. This presentation brings greater clarity as to the depth of the agony of our Lord's sorrowful Passion, which he voluntarily took on for love of us.
