April 29, 2018

St. John Vianney spoke of the priesthood as the "love of the heart of Jesus." To be called to the priesthood and/or religious life is to love the people of God in a unique and dynamic way. (1 John 3)

Matt Fradd, a best-selling Catholic author, presents new data to show how the changes in the types and accessibility of pornography being promoted today make it far more dangerous and harmful than ever before. Matt draws from a wealth of experience to guide parents in taking decisive action to protect their children, and he empowers adults with specific wording to effectively address this sensitive topic with children of all ages before they encounter pornography or after they've been exposed to it.
